

The abstract should be concise, typically containing the aim of the study, a brief statement of the method(s) used, the main results obtained/expected and conclusions drawn. It should not exceed 300 words and should generally be restricted to a single paragraph. It should include 3-5 key words. Abstracts and papers are to be sent to: [icsid@covenantuniversity.edu.ng](mailto:icsid@covenantuniversity.edu.ng).

All papers submitted to the conference are expected to be not more than 15% similarity check. Authors are expected to obtain necessary permission for any part of the work.

The full paper submission template will be sent to the corresponding authors of all accepted abstracts. All full papers submitted will undergo double-blind peer review processes. All accepted papers will be published in Nigerian Journal of Technological Development (NJTD), Nigerian Journal of Technology (NIJOTECH) indexed in SCOPUS; and other journal outlets.

The proceeding of one of the previous conference, ICSID 2019, is available on the following links: <https://iopscience.iop.org/issue/1757-899X/640/1>.

Books of abstracts will be produced

### PROGRAMME

- Plenary and breakout sessions
- Poster presentations
- Technical Exhibition
- Those interested in the exhibition are invited to submit a request for permission to exhibit their products.

### REGISTRATION FEES

Category of Participants	Early Bird (Ends 27th May 2024)	Late/Onsite Conference Registration
Participants presenting full paper	N45,000	N50,000
Participants without paper presentation	N35,000	N50,000
Postgraduate Student participants	N35,000	N40,000
Foreign Participants	\$100	\$200
Exhibition/Companies	N100,000	N100,000

### THE KEYNOTE SPEAKERS FOR THE CONFERENCE ARE:

**Prof. James O.B. Rotimi**  
School of Built Environment, College of Sciences, Massey University, New Zealand

**Prof. Gideon Van Zijl**  
Department of Civil Engineering, Stellenbosch University, South Africa

**Prof. Abimbola Windapo**  
Department of Construction Economics and Management, University of Cape Town, South Africa

**Engr. Adegboye Adegbenro**  
Principal Partner AGE Consult Limited, Nigeria

### CONFERENCE WEBSITE:

For a paper to be published, one of the authors must register for the conference. [icsidconference.covenantuniversity.edu.ng](https://icsidconference.covenantuniversity.edu.ng)

### PAYMENT OPTIONS:

Visit website for more information

Clearly indicate "ICSID 2024" on the teller.

Participants should pay registrations fees in local currency (Naira) or Foreign currency (Dollar) to the following accounts:

Bank: UBA

Name: Covenant University Civil ICSID Account Number: 1021736954

Dollar Account: 3002621028

Sort Code: 033173616 Swift code: UNAFNGLA

### CONTACT INFORMATION

### ACCOMMODATION

Please visit the conference website for available hotels. Hotel booking/Room reservations can be made by contacting: **Engr. Lazarus Justin | [lazarus.justin@covenantuniversity.edu.ng](mailto:lazarus.justin@covenantuniversity.edu.ng) | +2348185930842**

The ICSID 2024 conference proceedings will be published in AJOL indexed in (SCOPUS)

Contact us for more information: [icsid@covenantuniversity.edu.ng](mailto:icsid@covenantuniversity.edu.ng)

### IMPORTANT DATES

**Call for Abstract:**  
April 1 - April 26, 2024

**Notification of Acceptance of Abstract:**  
May 10, 2024

**Full paper submission:**  
April 3 - June 7, 2024

**Notification of Acceptance of full papers:**  
June 28, 2024

**Early Bird payment:**  
May 27, 2024

**Conference Date:**  
August 12 -14, 2024

**COVENANT UNIVERSITY**  
Africa's No.1 Private University

**ICSID '24** 3rd International Conference on Sustainable Infrastructural Development (ICSID 2024)

Theme:  
**ENERGY EFFICIENCY AND SUSTAINABLE DEVELOPMENT IN THE BUILT ENVIRONMENT**

**DEPARTMENTS OF CIVIL ENGINEERING & BUILDING TECHNOLOGY**

Covenant University, Ota, Nigeria

Date:  
**August 12-14, 2024**

Venue:  
**Centre for Research, Innovation and Discovery, Covenant University, Canaan Land, Ota, Nigeria**

Following two successful editions in electronic format with the 2020 conference held at Covenant University, we are delighted to announce that the 3rd international conference on sustainable infrastructural development will be held in collaboration with the Department of Building Technology in CUCRID Auditorium Covenant University from 12th-14th August 2024.

The conference will be chaired by Dr. Olatokunbo Ofuyatan and organised by a team lead by Dr. Ignatius Omuh. The goal of this conference is to unite leading scientists, engineers, builders, researchers and industry experts worldwide, policymakers, professional bodies and students, facilitating the exchange of insights on recent advancements in sustainable infrastructural developments.

The focus areas include materials, environment, disruptive technology, nanotechnology, smart construction and sustainable cities, intelligent buildings, circular economy, energy, climate change, risk management, engineering education, and sustainable transport systems.

On this occasion, we are pleased to invite you to participate in the conference (In person/online) and share/discuss your latest research findings.

## ICSID Key Points

- The conference brings about healthy discourse on topics pertaining to sustainable construction planning & techniques.
- The conference covers multiple topics, including contemporary innovations in sustainable energy, circular economy, smart sustainable materials, and biomimicry modular construction.
- The ICSID conference will take place at CUCRID auditorium, Covenant University, from August 12-14, 2024, but there will be a possibility to present online.
- Abstract (max 300 words) submission starts April 1 2024.
- The ICSID conference encourages research submissions from all regions of the world.

## SUSTAINABLE CONSTRUCTION MATERIALS

- Recycled Materials
- Concrete Durability
- Corrosion
- Cement and Supplementary Cementitious Materials
- Timber Products in Civil Engineering
- Natural Fiber
- Fiber Reinforced Concrete
- Self-compacting Concrete
- Pervious concrete
- Composite Materials in Construction
- Bituminous, Pavement and Geotechnical Materials
- Other related issues

## CIRCULAR ECONOMY

- Recycling
- Reuse
- Reduce
- Refurbishing
- Retrofitting
- Waste
- Electrofitting
- Society & Culture

## ENVIRONMENT

- Water Sanitation and Hygiene
- Water quality, groundwater management and conservation
- Pollution (water, air and soil), remediation
- Future water demands; Policy and Legislation
- Impacts of Land Use Change on Critical Infrastructures
- Erosion and Flood Hazard Assessment and Alleviation
- Climate Change and Adaptation
- Chemical/Mechanical Stabilization/Ground Improvement
- Soil Stability and Landslides
- Soil Characterization: Problematic Soils – Laterites, Collapsible Soils and Soft Soils.
- Urban Planning
- Waste Management
- GIS and Remote Sensing
- Other related issues

## SMART CONSTRUCTION AND SUSTAINABLE CITIES

- Affordable Housing
- Construction Management
- Smart City
- Building Information Modelling
- Sustainable Green Design and Construction
- Simulation of Construction Operations
- Intelligent building
- Other related issues

## SUSTAINABLE STRUCTURES AND COMPUTATIONAL MODELLING

- Structural Engineering
- Bridge Engineering
- Coastal Engineering
- Geological Engineering
- Geotechnical Engineering
- Hydraulic Engineering
- Concrete Structures, Metallic Structures
- Structural Rehabilitation, Retrofitting and Strengthening
- Structural Health Monitoring
- Computational Mechanics
- Numerical Simulation and Constitutive Modelling
- Infrastructural Failure and Risk Analysis, Building Collapse
- Soil-Structure Interactions
- Dynamics of Structures
- Life Cycle Analysis of Materials and Structures
- Predictive Modelling, Spatial Econometrics and Stochastic Geometry
- Transportation modelling and simulation
- Other Related Issues

## SUSTAINABLE TRANSPORT SYSTEM

- Sustainable Road Infrastructure Urban Transport Planning and Development
- Sustainable Public Transport Systems, Policies and Governance
- Sustainable Traffic Management, Travel Behaviour Studies and Traffic Accidents
- Pavement and Transportation Infrastructure Development
- Railway, Freight, Airport Systems and Mass Transport Strategies
- Other Related Issues

## DISRUPTIVE TECHNOLOGIES

- Block Chain Technology
- Smart Grid Technology
- Nanotechnology
- Construction Informatics
- Biomimicry Modular Construction
- Artificial Intelligence
- Smart Sustainable
- Big Data
- 3D Printing

## ENERGY

- Energy Efficiency
- Renewable Energy
- Clean Energy
- Energy Storage
- Energy Minimization and other related
- Energy Policy

## CLIMATE CHANGE

- Flooding
- Health Risk
- Greenhouse gas and carbon emission

## CONSTRUCTION PROJECT DELIVERY

- Project delivery system
- Contract management
- Risk management
- Construction scheduling
- Quality and value
- Health and Safety
- Building production management
- Legal issues

## EDUCATION

- Collaborate learning
- Blended learning
- AI in teaching & learning
- Gamification
- Education financing and policies

## FACILITY MANAGEMENT

- Built maintenance
- Built operations
- Communication in built environment
- Facility information & technology management
- Occupancy
- Performance & quality
- Leadership & Strategy

## CONFERENCE SCIENTIFIC ADVISORY COMMITTEE:

### Local:

Prof. James Omoyele, Covenant University, Ota, Nigeria  
 Prof. Charles Nwaiwu Nnamdi Azikiwe University, Awka Anambra State.  
 Prof. Oluwapelumi Ojuri, Federal University of Technology, Akure  
 Prof. Chinwuba Arum, Federal University of Technology, Akure  
 Prof. David Omole, Covenant University, Ota, Nigeria.  
 Prof. David Olukanni, Covenant University, Ota, Nigeria  
 Prof. Anthony Ede, Covenant University, Ota, Nigeria  
 Prof. James I. Agwuwa, Federal University of Technology, Minna  
 Prof. Gbenga Ayinoluwa, University of Ibadan, Nigeria  
 Prof. Mayowa Ajibola, Covenant University, Nigeria  
 Prof. Olabosipo Fagbenle Covenant University, Nigeria  
 Prof. Obanishola Sadiq, University of Lagos, Nigeria  
 Prof. Akinwale Coker, University of Ibadan, Nigeria  
 Prof. Adeola Adedeji, University of Ilorin, Nigeria  
 Prof. Kolapo Olushola Eleka, Osun State University  
 Dr. Isaac Akinwumi, Covenant University, Ota.  
 Dr. Oluranti Agboola, Covenant University, Ota.  
 Dr. Olugbenga Elemile, Landmark University, Nigeria  
 Dr. Olukorede M. Osulale, Lautech, Nigeria  
 Engr. Adegboye Adegbenro, Principal Partner AGE Consult Limited.

### International:

Prof. James Rotimi, School of Built Environment, Massey University, New Zealand.  
 Prof. Abimbola Windapo, University of Cape Town, South Africa.  
 Prof. Festus Olutoge, University of the West Indies, St Augustine.  
 Prof. Dr. M. Serkan Kirgiz, Istanbul Sabahattin Zaim University, Istanbul, Turkey.  
 Prof. Sadhan Kumar Ghosh, Centre for Sustainable Development & Resource Efficiency Management, Jadavpur University.  
 Prof. Solomon Isiorho, Purdue University, USA  
 Prof. Adewumi John Babafemi, Stellenbosch University, South Africa  
 Dr Adelaja I. Osofero, University of Aberdeen, United Kingdom  
 Dr. Olubukola Tokede, Deakin University, Australia  
 Dr. Alex Apeagyei, University of East London England, UK  
 Dr. Iruka Chijindu Anugwo, Durban University of Technology (DUT), South Africa  
 Dr. Olusegun Aanuoluwapo Oguntona, Walter Sisulu University, South Africa  
 Dr. Renuka Thakore, Coordinator, Global Sustainable Future Network CIC, UK
